WHO WE ARE

YVAPE is a **FREE** educational intervention and cessation program with phone coaching support for students who have been found with or under the influence of nicotine and/or marijuana at school. YVAPE is available to:

- » All California schools
- » Students 12 years and older
- » Offered in English and Spanish

ENROLLMENT

- » The student is found with, under the influence of, or selling nicotine and/or marijuana at school.
- » The student and parent/guardian (for students 12-17 years old) provide verbal consent to participate.
- » The school enrolls the student in YVAPE through yvape.org.

Web: www.yvape.org

Phone: 858.300.1023

Email: yvape-support@health.ucsd.edu

PROGRAM

- » Videos and Discussion: Watch at least three videos and use the discussion guide (15-30 mins).
- » Core Coaching Call: The call (30-45 mins) covers substance use and discussion of the videos.

OPTIONAL ACTIVITIES

- » Additional Support Call: Extra coaching session to provide support with substance use and the opportunity to build social-emotional skills (20-30 mins).
- » Referral to Kick It California (KIC): YVAPE students can be referred to KIC during their Additional Support Call for supplemental help quitting.
- » Optional Evaluation: Students who consent for eval will be contacted to answer questions about their substance use (5-10 mins; \$10 gift card).

BENEFITS

- » Easy online enrollment system
- » Flexible scheduling (during or after school)
- » Support from trained coaches
- » Increases chances of quitting nicotine and marijuana
- » Track student progress
